

# Lutricia McNeal, Same, Same, Same

No, no, no (x8)

Oh, don't make me high  
Don't make me feel  
Don't make it beat  
Oh, don't make me try  
Don't make me see  
Don't let me be

Oh, you make me flow  
You make me fall  
You make me whole  
Oh, you make me show  
You make me keen  
You make me dream

You always get what you want  
I should say no, but I don't  
No, I just let it go on and on and on

You're the same, same, same  
Same, same, same  
Like the rockabye stuck on with me  
You're the same, same, same  
Just goes on and on and on and on and on

No, no, no (x2)

Oh, you make me tweak  
You make me shine  
You make me fine  
Oh, you make me sweet  
You make me play  
You make me stay

No, no, no (x4)

Oh, don't make me low  
Don't make me chase  
Don't make me wait  
Oh, don't let me go  
Come makin' by  
You need tonight

You always get what you want  
I should say no, but I don't  
No, I just let it go on and on and on

You're the same, same, same  
Same, same, same  
Like the rockabye stuck on with me  
You're the same, same, same  
Just goes on and on and on and on and on

On and on and on and on and on

You always get what you want  
I should say no, but I don't  
No, I just let it go...

You're the same, same, same  
Same, same, same

You're the same, same, same

Just goes on and on and on and on and on

You're the same, same, same  
Same, same, same  
Like the rockabye stuck on with me  
You're the same, same, same  
Just goes on and on and on and on and on

You're the same, same, same  
Same, same, same  
Like the rockabye stuck on with me  
You're the same, same, same  
Just goes on and on and on and on and on

No, no, no (x4)
