Someone loves you honey
(someone loves you)
(someone loves you)
(someone loves you)
I wanna share your life
Every minute every day of your life yeah
And i want you to know
That whatever you do
and where ever you go
Remember..
Someone loves you honey
(someone loves you)
no matter what
just be my guy baby
someone loves you honey
more than anything in the world
(someone loves you)
(someone loves you)
Im so glad im the one
That u came to when you needed someone yeah
thats what my loves is for
its a shoulder to lean on
a boat in the storm
Remember..
Someone loves you honey
(someone loves you)
no matter what

someone loves you honey
more than anything in the world
(someone loves you)
(someone loves you)
(someone loves you)
more than anything in the world
Someone loves you honey
(someone loves you)
no matter what just be my guy baby
someone loves you honey
More than anything in the world
Someone loves you honey
(someone loves you)
no matter what just be my guy baby
someone loves you honey
More than anything in the world

Someone loves you honey
(someone loves you)
no matter what just be my guy baby
