

Lutricia McNeal, The Power Of Music

Everybody is moving to a hard beat
Stepping out in time
Right across the cities and the backstreets
This is what you'll find

When you step inside that rythm
Everythings forgiven
Can't you feel
The music still
Your the pain in every heart

I believe in the power of music
Put my faith in the power of love
Hooked on a feeling and I'm gonna use it
Because I know
I know music is the power of love

Everyone who's looking for an answer
Says it's hard to find
I don't think you'll ever gonna find it
Searching with their minds

So let that spirit guide you
Moving right inside you
Cant you feel
The music still
Hear the beat in every heart

I believe in the power of music
Pu my faith in the power of love
Hooked on a feeling and I'm gonna Use it
Because I know
I know music is the power of love

I feel the power
I feel the power
I feel the power of music

I feel the power
I feel the power
I feel the power of music

So let that spirit guide you
Moving right inside you
Can't you feel the music still
The beat in every heart

I believe in the power of music
Put my faith in the power of love
Hooked on a feeling and i'm gonna use it
Because I know
I know music is the power of love

I feel the power
I feel the power
I feel the power of music
