

# Lutricia McNeal, The Power Of Music

Everybody is moving to a hard beat  
Stepping out in time  
Right across the cities and the backstreets  
This is what you'll find

When you step inside that rythm  
Everythings forgiven  
Can't you feel  
The music still  
Your the pain in every heart

I believe in the power of music  
Put my faith in the power of love  
Hooked on a feeling and I'm gonna use it  
Because I know  
I know music is the power of love

Everyone who's looking for an answer  
Says it's hard to find  
I don't think you'll ever gonna find it  
Searching with their minds

So let that spirit guide you  
Moving right inside you  
Cant you feel  
The music still  
Hear the beat in every heart

I believe in the power of music  
Pu my faith in the power of love  
Hooked on a feeling and I'm gonna Use it  
Because I know  
I know music is the power of love

I feel the power  
I feel the power  
I feel the power of music

I feel the power  
I feel the power  
I feel the power of music

So let that spirit guide you  
Moving right inside you  
Can't you feel the music still  
The beat in every heart

I believe in the power of music  
Put my faith in the power of love  
Hooked on a feeling and i'm gonna use it  
Because I know  
I know music is the power of love

I feel the power  
I feel the power  
I feel the power of music
