

Lutricia McNeal, You Showed Me

you showed me how to do
exactly what to do
and I fell in love with you

Oh, oh it's true
you fell for me too

you showed me how to say
exactly what to say
in that very special way
oooh it's true - you fell for me too

and when I tried it
I could see you falling
that's when I decided
it's not a trick at all

you showed me how to do
exactly what to do
and I fell in love with you
we're in love we too

you showed me how to say
exactly what to say
in that very special way
oh - it's true
you fell for me too

now you love me too

(rap)
you show me exactly what to do
when I was feeling sad and blue
I was trying to seek some help
but I was hanging with a stupid crew
hanging around knuckleheads going
in the fastlane
my life - stuck in a bad game, only you
can explain the way
I feel boo - you're stressed out so
won't you tell me what's the deal
boo - you changed me quick, you
changed my whole life
yo, I'm here for you tonight
