

# Luxury, These Days

Luxury---These Days

Lyin awake all night  
I just can't seem to sleep these days  
I hear voices call in my mind  
But I can't hear what they say  
Now there is a sorrow

That always comes my way  
But you never really know  
You never really know

Watch out. Someone's gonna get me  
I know it's never gonna let me  
That's just the way it tends to be these days  
I try, it's never gonna let me  
I wish that it wouldn't come and get me  
That's just the way it tends to be these days

Now there is no simple way  
To change the things that I have been  
You cannot just cage a bird  
And expect it to fly free

That always comes my way  
But you never really know  
You never really know

Watch out. Someone's gonna get me  
I know it's never gonna let me  
That's just the way it tends to be these days  
I try, it's never gonna let me  
I wish that it wouldn't come and get me  
That's just the way it tends to be these days

Now it's not easy  
With the things you know  
To try to please me  
But you never really know  
You never really know

Watch out. Someone's gonna get me  
I know it's never gonna let me  
That's just the way it tends to be these days  
I try, it's never gonna let me  
I wish that it wouldn't come and get me  
That's just the way it tends to be these days

These days, these days  
These days, these days
