Holla for my sistas on welfare, Lyfe cares if don't nobody else care. (Don't nobody else care)  
I wonder why we take from our women  
Why we rape our women?  
Do we hate our women?  
I think it's time we kill for our women.  
Time to heal our women.  
Be real to our women.  
Or we would have a race of babies that would hate the ladies, that made the babies.  
Would the real men get up.

So all the ladies havin babies on their own (Havin babies on ya own)  
I know it's kind of rough (I know it's rough) and you feelin alone, (I know you feeling on ya own) but
