

# Lykke Li, Love Me Like I'm Not Made Of Stone

There's a heart I cannot hide  
There's a beat I can't deny  
When it sings  
When it lies  
When it cheats  
When it bribes  
There's a war inside my core  
I hear it fight  
I hear it roar  
Go ahead, go ahead  
Lay your head where it burns

Even though it hurts  
Even though it scares  
Love me when it storms  
Love me when it fall  
Every time it breaks  
Every time it's torn  
Love Me Like I'm not Made Of Stone  
Love Me Like I'm not Made Of Stone

A devil's head across my heart  
As we dance through the dark  
Go ahead, go ahead  
Love me deep until you can't  
Even though it hurts  
Even though it scares  
Love me when it storms  
Love me when I fall  
Every time it breaks  
Every time it's torn  
Love Me Like I'm not Made Of Stone  
Love Me Like I'm not Made Of Stone

Love me heard until it heats  
Will you love my scares so I can heal
