

Lyle Lovett, Ain't It Something

Ain't it somethin'
Ain't it somethin'
Ain't it somethin'
How the way things go
Ain't it somethin'
Ain't it somethin'
Ain't it somethin'
How the way things go

Ain't it somethin'
Yes yes
Ain't it somethin'
Oh no
Ain't it somethin'
Ain't it somethin'
How the way things go

Ain't it somethin'
Ain't it somethin'
Ain't it somethin'
How the way things go
Ain't it somethin'
Ain't it somethin'
Ain't it somethin'
How the way things go

Ain't it somethin'
When the telephone is ringing
Ain't it somethin'
When she says hello
Ain't it somethin'
When she hears me singing
Ain't it somethin'
When she still says no
