Lyle Lovett, In My Own Mind

I get up in the mornin' I drink a cup of coffee I look out of the window I try to get a-started I turn it all over Plough it all under I plant 'em in the spring time I pick 'em in the summer

[Chorus:] I live in my own mind Ain't nothin' but a good time No rain, just the sunshine Out here in my own mind I live where I can breathe Ain't nothin' but a cool breeze Nobody that it won't please Out here where you can breathe

Mandy and Dary They'll show back up any day That's one thing you can count on But sometimes they'll be long gone I'd rather be huntin' Hooked on fishin' I read it on the t-shirts But if you don't believe it

[Chorus]

[Instrumental]

Hardwood floor-a-creakin' Bedroom door squeekin' She's standing in the kitchen I thought she was still sleepin' Kiss her on the forehead Ask her how she slept She says, "Honey it's so early. We probably shouldn't speak yet."

[Chorus]
