

Lyle Lovett, This Traveling Around

This traveling around
It's going to be the death of me
This traveling around
It's going to be the death of me

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me

Oh the girl I love
You know she got the best of me
Oh the girl I love
You know she got the best of me

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me

So this great wide world
It can have the rest of me
And this great wide world
It can have the rest of me

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me

Now I'm truck stop bound
Maybe a smile will rescue me
Now I'm truck stop bound
Maybe a smile will rescue me

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me

And that 999
It's so fast you cannot see
And that 999
It's so fast you cannot see

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me

And I'd go back home
If she cared enough for me
And I'd go back home
If she cared enough for me

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me

And I'd change my ways
If I knew how else to be
And I'd change my ways
If I knew how else to be

And this traveling around
It's going to be the death of me
And this traveling around
It's going to be the death of me
