

# Lynn Anderson, Singing My Song

Here's a song I love to sing it's about the man who wears my ring  
And even though he's tempted he knows I'll make sure that he gets everything  
Cause when he's cold he knows I'm warm and I'll warm him in my arms  
And when he's sad oh I'll make him glad and I'm his shelter from the storm  
I'm his song when he feels like singing and I swing when he feels like swinging  
I don't know what I does that's right but it makes him come home at night  
And when he's home I makes sure he's never alone  
And that's why I keep singing my song  
And when he's home...
