

# Lynn Chircop, To Dream Again ( Eurovision Song

When you lay your eyes on me,  
the feeling sets me free  
You're my vision of love,  
the very heart of life  
The last word  
'Cause you made me dream again  
Took me where I'd never been  
You made me dream again  
Don't let me fall apart  
Please dont break my heart  
I love you  
Your kisses I would miss  
Your smile and your caress  
I love you  
Winter's gone and summer comes around  
Like the love I found  
Now I'm helpless as you,  
just drift away from me  
I miss you  
And you made me dream again  
Took me where I'd never been  
You made me dream again  
Don't let me fall apart  
Please dont break my heart  
I love you  
Your kisses I would miss  
Your smile and your caress  
I love you  
Winter's gone and summer comes around  
Like the love I found  
Don't let me fall apart  
Please dont break my heart  
I love you  
Your kisses I would miss  
Your smile and your caress  
I love you  
Winter's gone and summer comes around  
Like the love I found  
Don't let me fall apart  
Please dont break my heart  
I love you  
Your kisses I would miss  
Your smile and your caress  
I love you  
Winter's gone and summer comes around  
Like the love I found  
Don't let me down  
Don't let me go  
Don't let me fall apart  
Don't let me fall apart  
'Cause I love you baby  
You're the one that makes me dream
