

# Lynyrd Skynyrd, All Funked Up

Oooohhh....

Ahhhhhhhhh....

Tornados spinnin', I sit here grinnin'  
I think we've all seen this movie before  
This is confusin', almost amusin'  
It's hard to tell up and down anymore  
When did it get so crazy, how did we lose control  
Everybodies shouting, how bad it really sucks

Situation normal  
All funk'd up, We're all funk'd up

We had some leaders, and they were cheaters  
But they came out smelling like a rose  
We should reject them, but we respect them  
For what they do when the door is closed  
Nothing in this world a simple man can do  
Stand up and be counted, ain't you had enough

Situation normal  
All funk'd up, Yeah we're all funk'd up  
We're functionally dysfunctional  
We're functionally yeah dysfunctional  
We're all funk'd up

Uuughh....

Don't you know the meaning of the word snafu  
Better known as trouble for me and you  
Murphy's law will get ya, he's on his way  
Same ol' same ol' shit a different day

Uuughh....  
Oh...

Tornados spinnin', I sit here grinnin'  
I think we've all seen this movie before  
This is confusin', almost amusin'  
It's hard to tell up and down anymore  
Everybodies shouting, how bad it really sucks

Situation normal  
All funk'd up, we're all funk'd up...  
We're all funk'd up...  
We're all funk'd up...
