Lynyrd Skynyrd, Bring It On

(Gary Rossington - Johnny Van Zant - Rickey Medlocke - Hughie Thomasson)

Uhh Huh That's right

Missy was a real fine looker Always had an eye for the boys Man I always wanted to book that girl Play around with some of her toys

I said, my my, oh can you look at them eyes I said oh no Lord here we go Don't you pretend you don't know Bring it on Yeah baby

Rumor says she from the bayou Searchin' for her fortune and fame Man she's got a way about her She's drivin' all us poor boys insane

I said, my my, oh can you look at them eyes I said oh no Lord here we go Don't you pretend you don't know Bring it on Give it to me baby I've been waiting for it all night long Bring it on I know you got it in you to shake my sheets To your rock n roll beat Bring it on, you can bring it on

Just about the time I thought I had it made I felt a slap on my shoulder I turned around and had to stare up at him He said little man you best think this over

I said my, my oh take a look in his eyes
I said, oh no, Lord here we go
The band's on a break lets give this bar a show
Bring it on, give it to me mister
We can fight about her all night long
Bring it on, take your best shot
Oh bring it, bring it on
Oh no
We can fight about her all night long
Bring it on
