

# Lynyrd Skynyrd, Home Is Where The Heart Is

(Gary Rossington - Johnny Van Zant - Hughie Thomasson - Rickey Medlocke)

I've always lived my life like a gypsy  
I can't imagine myself settlin' down  
So please don't ask me to give up this life I lead  
'Cause I love to feel those wheels go 'round and 'round

I can see it inside  
It's my heart that sees, not my eyes  
And if you listen close I'll tell you why  
Home is where the heart is  
And my heart is at home with you

There's a cold wind blowin' and you know it's almost midnight  
You never dreamed it would be this hard lovin' a music man  
But this iron horse on which I ride I'm closer it's true  
And it's just as hard for me as it is for you

I can see it inside  
It's my heart that sees not my eyes  
And if you listen close I'll tell you why  
Home is where the heart is  
And my heart is at home with you

In my life I'm always on the run  
Livin' one day at a time  
Hold on a little longer  
I don't know where I'm gonna end up  
Or where I'll go

I can see it inside  
It's my heart that sees not my eyes  
And if you listen close I'll tell you why  
Home is where the heart is  
And my heart is at home ...

I can see it inside  
It's my heart that sees not my eyes  
And if you listen close I'll tell you why  
Home is where the heart is  
And my heart is at home with you

Home is where the heart is  
Oh ,my home is where my heart is  
Oh, my home is where my heart is
