Lynyrd Skynyrd, I Got The Same Old Blues

(J.J. Cale)

Have you heard that rumor that's goin' around My baby's got a man, lord way across town Its the same old story Tell me where will it end Yes I heard the news its the same old blues again

Well I wrote you a letter, must have read it wrong Stood at the doorway and baby you was gone Took a lot of courage To let the telephone ring I got the same old blues, same old blues again

Well you gave me the business, though I didn't mind 'Cause I got a lot of patience, Lord got a lot of time Its the same old story Tell me where will it end I got the same old blues, same old blues again Here come my blues

Gonna find me a mountain and gonna hide out Ain't talkin' to you babe, Lord I ain't comin' back Well I heard that rumor, tell where will it end I got the same old blues, same old blues again

Have you heard that rumor that's goin' around My baby's got a man, lord way across town Its the same old story Tell me where will this end Yes I heard the news its the same old blues again I got the same old blues, same old blues again

I got the blues... same old blues
