

# Lynyrd Skynyrd, Pure & Simple

(J. Van Zant, E. King, R. Johnson, M. Lunn)

I used to live in a poor neighborhood  
My friends and me we always had a time  
Never had no money but we had it so good  
Those days are gone and I wanna go back  
So pure so simple  
Never thought about it when you're young you don't care  
You don't realize it 'till it's all behind  
Take it for granted just not well

[Chorus:]  
Oh-oh It was pure and simple  
I'll remember those days 'till the end  
Oh-oh God knows it's simple  
If I could live my life all over again  
I'd keep it pure and simple

Those days are gone and I wanna go back  
Got me a feelin' I'm not alone  
Wish I had a road so I could go back home

[Chorus]
