

M!styc, On The Radio

My life last forever
Let me be with you
Theres still so much silence
But Im going through
My tears are in heaven
But I must survive
When angels are crying
Im ending my life
Take the radio melody
Sing with me
Leave the sorrow, let it be
As the radio sings for me
Set you free
What you get is what you see
Take the radio melody
Sing with me
Leave the sorrow, let it be
As the radio sings for me
Set you free
What you get is what you see
On the radio sings for me ...
My dreams last forever
So where are you now
Im searching for nothing
Couse love ties somehow
No tears left in heaven
But help me survive
The angels were crying
Why I lost my life
Take the radio melody
Sing with me
Leave the sorrow, let it be
As the radio sings for me
Set you free
What you get is what you see
Take the radio melody
Sing with me
Leave the sorrow, let it be
As the radio sings for me
Set you free
What you get is what you see
On the radio sings for me ...
