

Maanam, You Or Me

Getting closer, closer, closer
Day of equal possibilities
Without protection, without lies
Day of equal opportunity

Who will be stronger, be stronger
You or me
Who will shine brighter, shine brighter
You or me

I will recall all my dreams

What do you dream, if you dream
Victim and killer
You or me

Who will be stronger, be stronger
You or me
Who will shine brighter, shine brighter
You or me

That will be a day of truth
Without protection, without lies
Mother will search for son
in tears

Who will be stronger, be stronger
You or me
Who will shine brighter, shine brighter
You or me

That will be a day of truth
Sucked-up into a sea of stars
Leaving millions of galaxies
Who will shine brighter
You or me
