

# Mac Dre, Get Stupid

[Verse 1]

When we pull up to the light, the people all stare  
Four niggaz in the Benz with the dreadlock hair?  
Smoke everywhere, waving it madly  
On the woodgrain dawns with the license plate rattlin'  
Doin' what we want to, hangin' out the sunroof  
Mentally ignorant, boy we go dumb dude  
Gas Break Dip, we call it yokin'  
Do a doughnut in yo' whip, we call it dosin  
Get stupid, it's what we do good  
Ghost ride the whip while we dancing on the hood  
I'm amped feeling good, I'm hyphy  
In the fish face with the thizz face off of Nike  
The women like me, I'm dipped in butter  
I'll rob your brother, pimp the blood out your mother  
I'm Mister Stupid Doo Doo Dumb  
Somethin terrible, tell 'em how we come

[Chorus]

We S-T-U-P-I-D  
When we go to the club we don't need ID  
Everywhere we go it's a party y'all  
We gon' get it crackin' like the mardi gras  
Get stupid (X4)  
Go stupid (X3), come on go stupid with me

[Verse 2]

I'm a dog, hound, Crestside clown  
Gig so hard make my pants fall down  
This be pound, cuddie where'd you get it?  
Oh you ain't know, Dr. Dre did it  
I come wit' it rappin' and rhyming  
And dancin' pantomimin' acting like I'm drivin'  
Then switch it up dance like I'm fishin'  
See in the Bay Area we dance a lil' different  
The Bay bounce to Thizzle  
The West Coast Wizzle  
Doo Doo get stupid, come fuck with Drizzle  
Call the hospital he's having convulsions  
No he's getting stupid and hes loaded, yokin'  
Is the store still open? We need Heem  
That's a privileged thing, Ya-da-da-mean? (Yadadamean?)  
All in the door like yeee! S-T-U-P-I-D

[Chorus]

[Verse 3]

Alrigh' let me tell you why we call this thang stupid  
Cause when I dance the chick say "you stupid"  
You can do it ain't that hard  
Baby get dumb, act like a retard  
Shake your hair make it blow in the air  
You gotta get into it growl like a bear  
Now say Whaaa! (Girl: What?) No, Whaaa!  
Do the damn thing girl cut that shit up  
Fill ya cup don't be no punk  
It don't look right if you really ain't drunk  
Come on now repeat after me we go S-T-U-P-I-D (Girl: Stupid? Hahaha)

[Chorus]
