

Macabre, Holidays Of Horror

Simmons went crazy
Murdered sixteen
Fourteen of them family
He killed them
For the holidays

Merry Christmas
He gunned his family down
His bullets were their presents
Dead relatives all around
Happy New Year
One they won't be here to see
It's the holiday of horror
Because of Ronald Gene
Simmons

He built a wall
Around his trailer home
So the neighbours would leave him alone
And he didn't want them to see
How he abused his family

Merry Christmas
He gunned his family down
His bullets were their presents
Dead relatives all around
Happy New Year
One they won't be here to see
It's the holiday of horror
Because of Ronald Gene
Simmons
