

# Macabre, Is It Soup Yet

Welcome to Charley Gein's Spon Ranch East  
Daniel's cooking supper, his girlfriend is the feast  
Is it soup yet? Made from a head  
I think Daniel's cooking the dead  
Is it soup yet? Made from the dead  
Daniel Rakowitz boiled his girlfriends head  
Daniel's girlfriend broke up with him  
So he went and got a soup pot to boil her head in  
Is it soup yet? Made from a head  
And with that soup the transients were fed  
Is it soup yet? Made from the dead  
Daniel Rakowitz boiled his girlfriend's head  
(And it tasted pretty damn good!)
