

# Macabre, Vampire Of Dusseldorf

I need a victim to do things sickening  
I just want to make you bleed  
My knife is gashing your blood is splashing  
To see your blood is what I need  
I'm gonna strangle you and I'll slit your throat too  
I love to see your blood run, that's the thing that makes me cum  
I'm gonna kill you just because I want to  
I'm the Vampire of Dusseldorf and I will cut your life short  
My hands are choking my knife is broken  
An orgasm is what I need  
Your blood is spilling the sight is thrilling  
To cum I need to see you bleed  
I'm gonna strangle you and I'll slit your throat too  
I love to see your blood run, that's the thing that makes me cum  
I'm gonna kill you just because I want to  
I'm the Vampire of Dusseldorf and I will cut your life short
