

# Maccabees, X-Ray

She's the flutter in my heart,  
The spring thats in my step.  
My empty head,  
Sees the lump build in my throat  
The view in my minds eye  
My empty he-art heart heart heart  
(oh oh oh)  
my he-art heart heart heart heart  
(oh oh oh ohohoh)

She's got her a suspicions.  
(x-ray x-ray x-ray x-ray)  
Her Magic Intution.  
(x-ray x-ray x-ray x-ray)  
She's got x-ray vision.  
(x-ray x-ray x-ray x-ray)  
Sees through me with her  
x-ray  
x-ray  
x-ray  
x-ray vision

x-ray  
x-ray  
x-ray  
x-ray vision

Sees me shifting in my seat.  
Its practical upbeat.  
My emty head.  
See the tongue kept in my cheek my conscience leak

My empty he-art heart heart  
(Oh oh oh)

My he-art heart heart  
(oh oh oh ohohoh)

She's got her a suspicions.  
(x-ray x-ray x-ray x-ray)

Her Magic Intution.  
(x-ray x-ray x-ray x-ray)

She's got x-ray vision.  
(x-ray x-ray x-ray x-ray)

Sees through me with her  
x-ray  
x-ray  
x-ray  
x-ray vision

x-ray  
x-ray  
x-ray  
x-ray vision

And with this power  
She can see  
Through solid objects  
Like you and me...
