

Machel Montano, What She Want

(feat. Calypso Rose)

Yo bring it

Well this is Mr Machel, yo,

Representin de gyal dem interest

So I must confess got de gyal lovin up de best

Yo any man try test

Hear me now what me say

She really want

What she want

She want a man who is stronger (what she want)

She want a man who last longer (what she want)

To love her all night long (what she want)

A. she want a man to lay down beside her everyday

B. she want a man like me stamina and energy

C. give her plenty of romancin' and tender love

Abc I am all of the de above

Well strong I got the condition

To love you all night long (whoa)

Got de remedy (whoa)

To give you agony

Tear up application gyal

Rip up resume

Tired man, weary man get cast away

Hey young boy tell me what's your plan

Big woman don't want no tired man

Rise up rise up and make a stand

Less talk just gimme gimme action

What she want (she want a man)

She want a man who is stronger (what she want)

She want a man who last longer (what she want)

To love her all night long (what she want)

What she want (come on come on)

She want a man who is younger

A man who really got de hunger

To love her all night long (what she want)

(Hear me again)

1. You must understand she don't want no lazy man

2. You got a job to do, otherwise nuttin for you

3. Financially show her your stability

123 boy, spend your salary

Get the condition to love her all night long

Get the remedy to give her agony

Listen carefully, boy, hear what she say

Tired man, weary man, get cast away

No wasting time and energy

Can you really handle what you see?

Show me what you got if you really know

Turn up de fire juss gimme gimme tempo

What she want (fire)

She want a man who is stronger (fire)

She want a man who last longer (what she want)

To love her all night long (what she want)

What she want

She want a man who is younger

A man who really got de hunger

To love her all night long (what she want)
