

# Machiavel, Fly

Fly, I wanna fly  
It's been a long long time  
I'm waiting for you at night  
Fly, I wanna fly  
It's been a long long time  
I'm burning for you at night  
High, I wanna get high  
You know babe  
We're gonna make it higher tonight

Though I know you'll go your own way  
Tomorrow is another day  
Forget it babe gimme a good time

Fly, I wanna fly  
It's been a long long time  
I've waited for this magical night  
Now you want it now  
And I wanna see you cry  
Wanna feel you flying tonight

Though I know you'll go your own way  
Tomorrow is another day  
Forget it babe gimme a good time

Fight, don't wanna fight  
I only want you to be my lover,  
My love tonight  
Fly, I know we'll fly  
It's been a long long time  
I've waited for you at night  
Though I know you'll go your own way  
Tomorrow is another day  
Forget it babe gimme a good time
