

Machiavel, Fly

Fly, I wanna fly
It's been a long long time
I'm waiting for you at night
Fly, I wanna fly
It's been a long long time
I'm burning for you at night
High, I wanna get high
You know babe
We're gonna make it higher tonight

Though I know you'll go your own way
Tomorrow is another day
Forget it babe gimme a good time

Fly, I wanna fly
It's been a long long time
I've waited for this magical night
Now you want it now
And I wanna see you cry
Wanna feel you flying tonight

Though I know you'll go your own way
Tomorrow is another day
Forget it babe gimme a good time

Fight, don't wanna fight
I only want you to be my lover,
My love tonight
Fly, I know we'll fly
It's been a long long time
I've waited for you at night
Though I know you'll go your own way
Tomorrow is another day
Forget it babe gimme a good time
