

# Machine Gun Fellatio, Butter My Ass With A Pige

As the monster truck speeds up to pass,  
I find myself alone with you at last.  
Now there's a little somethin'  
that I forgot to ask:  
if you got the pigeon,  
I got the ass.

Butter my ass with a pigeon,  
butter my ass real good.  
Butter my ass with a pigeon,  
like you know you should.  
Butter my ass with a pigeon,  
butter my ass right now.  
Butter my ass with a pigeon,  
tomorrow, tomorrow, tomorrow  
we'll butter a cow.
