

# Machine Gun Fellatio, I Dance Electric

Take me to your car  
I don't know you but I want to come out with you  
I had some cocaine  
I think I got an extra line for you  
I dance electric  
You can talk about yourself  
I dance electric  
Think I got an extra line for you  
Take me to your car (take me to your car)  
I don't know you but I want to come out with you  
I had some cocaine (I had some cocaine)  
I think I got an extra line for you  
I dance electric  
You can talk about yourself  
I dance electric  
Think I got an extra line for you  
I think I got an extra line for you
