

# Machine Gun Fellatio, My Ex-Girlfriend's Boyfriend

This is a song I wrote by mistake  
Which is nice  
My ex-girlfriend's boyfriend's got a band  
He writes love songs about her, and from what I understand  
He's the expert now at takin' off her clothes  
He's got two songs on the radio, I wish I'd written those  
My ex-girlfriend's boyfriend's got a band  
My ex-girlfriend's boyfriend's got a band  
Writes love songs about her even I can understand  
And he's got a certain something, I suppose  
His new song's on the radio, and this is how it goes  
(this is him singing):  
I don't want to live in this world anymore  
I don't want to live in this world anymore  
(He doesn't want to live in this world anymore)  
Where will I find true love?  
(Where will he find true love?)  
My ex-girlfriend naked on the sand  
A summer's day two years ago, when I was still her man  
I was the expert then at takin' off her clothes  
And that's all ancient history, and that's the way it goes  
But I've been working on my keyboards (yeah, right)  
Practising guitar  
And taking lots of bass lessons to expand my repertoire  
And my new girlfriend, my new girlfriend,  
My new girlfriend, my new girlfriend,  
My new girlfriend, my new girlfriend,  
My new girlfriend, my new girlfriend,  
My new girlfriend, my new girlfriend,  
My new girlfriend's boyfriend's got a band
