1 2 3 4 5 6 7 8!!

Let it all out!!

Let it all out!!

When the sunshine hits your eyes you'll find me there

And I'm not afraid of romance

Although you've just arrived to crash my life

Your smile is saying something that I like:

You're not afraid of romance

And I'm not afraid of romance

Don't be afraid

Don't be afraid

Don't be afraid

And I'm not afraid of romance

Let it all out!!

Letiling!

Letiling!

Let it all out!!

Let it all out!!

Let it all out!!

Let it all out!!

1! Go!

Let it all out come on!!
