

# Machine Gun Kelly, Camila Cabello, Bad Things

[Chorus: Camila Cabello]

Am I out of my head?  
Am I out of my mind?  
If you only knew the bad things I like  
Don't think that I can explain it  
What can I say, it's complicated  
Don't matter what you say  
Don't matter what you do  
I only wanna do bad things to you  
So good, that you can't explain it  
What can I say, it's complicated

[Verse 1: Machine Gun Kelly]

Nothing's that bad  
If it feels good  
So you come back  
Like I knew you would  
And we're both wild  
And the night's young  
And you're my drug  
Breathe you in 'til my face numb  
Drop it down to that bass drum  
I got what you dream about  
Nails scratchin' my back tatt  
Eyes closed while you scream out  
And you keep me in with those hips  
While my teeth sink in those lips  
While your body's giving me life  
And you suffocate in my kiss  
Then you said

[Pre-Chorus: Machine Gun Kelly]

I want you forever  
Even when we're not together  
Scars on my body so I can take you wherever  
I want you forever  
Even when we're not together  
Scars on my body I can look at you whenever

[Chorus: Camila Cabello]

Am I out of my head?  
Am I out of my mind?  
If you only knew the bad things I like  
Don't think that I can explain it  
What can I say, it's complicated  
Don't matter what you say  
Don't matter what you do  
I only wanna do bad things to you  
So good, that you can't explain it  
What can I say, it's complicated

[Verse 2: Machine Gun Kelly]

I can't explain it  
I love the pain  
And I love the way your breath  
Numbs me like novacaine  
And we are  
Always high  
Keep it strange  
Okay, yeah, I'm insane  
But you the same  
Let me paint the picture  
Couch by the kitchen  
Nothin' but your heels on

Losin' our religion  
You're my pretty little vixen  
And I'm the voice inside your head  
That keeps telling you to listen to all the bad things I say  
And you said

[Pre-Chorus: Machine Gun Kelly]  
I want you forever  
Even when we're not together  
Scars on my body so I can take you wherever  
I want you forever  
Even when we're not together  
Scars on my body I can look at you whenever

[Chorus: Camila Cabello]  
Am I out of my head?  
Am I out of my mind?  
If you only knew the bad things I like  
Don't think that I can explain it  
What can I say, it's complicated  
Don't matter what you say  
Don't matter what you do  
I only wanna do bad things to you  
So good, that you can't explain it  
What can I say, it's complicated

[Bridge: Camila Cabello]  
The way we love, is so unique  
And when we touch, I'm shivering  
And no one has to get it  
Just you and me  
Cause we're just living  
Between the sheets

[Pre-Chorus: Machine Gun Kelly & Camila Cabello]  
I want you forever  
Even when we're not together  
Scars on my body so I can take you wherever  
I want you forever  
Even when we're not together  
Scars on my body I can look at you whenever

[Chorus: Camila Cabello]  
Am I out of my head?  
Am I out of my mind?  
If you only knew the bad things I like  
Don't think that I can explain it  
What can I say, it's complicated  
Don't matter what you say  
Don't matter what you do  
I only wanna do bad things to you  
So good, that you can't explain it  
What can I say, it's complicated
