

# Machine Gun Kelly, Conversations

I ain't slept in months y'all  
Eyes so red I can't see what's real  
R-r-roll me up a blunt dog  
Sorry but this is the way that I live  
And if the world so big why can't I fit in?  
Feels just like folks back in the sit in  
Because I ain't goin' no where unless I eat and  
I won't play the game cause everybody cheat but  
I will pay the toll cause life ain't cheap  
Keep Pac on the beat all eyes on me  
See I on the streets not I  
In-the-stry eye for an eye when it comes to the beef  
Got a problem with me don't come to the C  
216 to the 213 that's what I call 21 jump street  
Never jump ship though that shit weak same crew  
Same boat muhfuka' don't sink I'm sayin'

Long nights, contemplating  
Stopping Satan from taking my life  
Bright lights, dark places  
Strange faces, this is my life  
This is my life, this is my life  
This is my life

Let me tell you something you already know  
The world ain't all sunshine and rainbows  
It's a very mean and nasty place and I don't care how  
Tough you are it will beat you to your knees and will  
Keep you there permanently if you let it you, me or  
Nobody will hit as hard as life but it ain't about how  
Hard you hit it's about how hard you can get hit and  
Keep moving forward how much you can take and keep  
Moving forward that's how winners done (how winners done)  
(How winners done) (how winners done)

Long nights, contemplating  
Stopping Satan from taking my life  
Bright lights, dark places  
Strange faces, this is my life  
This is my life, this is my life  
This is my life

Now if you know what you're worth now go out and get what  
You're worth but you got to be willing to take the hits  
And not pointin' fingers sayin' you ain't where you want to be  
Because of him or her or anybody cowards do that and that ain't  
You, you're better than that (that that that that that that that)
