

Machine Gun Kelly, jawbreaker

And this one is titled

Jawbreaker
She tastes like candy
Star chaser
And she's not landing
LA ex is
In Miami
Jawbreaker
Jawbreaker

Would it kill you to smile?
Let me occupy your mind
Went a million miles an hour
And it fucked up your design

6 AM, six a piece, then sex on the beach, uh
6 PM, sexy girl, still can't let her leave, uh
6 AM, back again for the same thing, ya
6 PM, I won't end 'til I can't breathe, uh

Jawbreaker
She tastes like candy
Star chaser
And she's not landing
LA ex is
In Miami
Jawbreaker
Jawbreaker

I can feel you from the waist down
There's a movie on with no sound
I'm the architect of this town
You're the prototype I need now

6 AM, six a piece, then sex on the beach, uh
6 PM, back again for the same things, yeah

Jawbreaker
She tastes like candy
Star chaser
And she's not landing
LA ex is
In Miami
Jawbreaker
Jawbreaker
