

# Machine Gun Kelly, twin flame

It's been six days since the last time I saw your face and you ask my sign  
I told you mine, I question why, then you said, "Everything's aligned"  
On the first day, you told me, "I was your twin flame from a past life"  
And tonight, the moon is full, so take me anywhere outside  
I cannot kiss you, yeah, you're magic, so I'll just stare at you instead  
I get insecure and panic 'cause I know you're too pure for this

You're too good for me, I'm too bad to keep  
I'm too sad, lonely, I want you only

Hey, I got six ways to say that I fell in love with you at first sight  
I wish that I could frame the way you look at me with those eyes  
Freeze time, baby, rewind  
Maybe ask you earlier, "Be mine"  
See, I didn't understand déjà vu 'till I met you

You're too good for me, I'm too bad to keep  
I'm too sad, lonely, I want you only  
You're too good for me, I'm too bad to keep  
I'm too sad, lonely, I want you only

Pfff, I can't [] with the cigarette smoke, hhm  
In this film I know, there's no happy ending  
In this film I know, there's no happy endings

Go to sleep, I'll see you in my dreams  
This changes everything, now I have to set you free
