

Machines Don't Care, Beat Dun Drop (ft. Meleka)

Angel on the street
With my headphones on
Going to wherever I'm going

Now I'm on my way
Can't nobody stop me
From getting to my destination

Jammin' in the club with my ravehead on
I'm alone with the music, I'm flowing
Lost in the lights, shadows darken my view
I don't mind, ohh

We gon keep it going til the beat don't drop
Til the beat don't drop
And we never gon stop

We gon keep it going til the beat don't drop
Til the beat don't drop
You don't know what we got

We gon keep it going til the beat don't drop
Til the beat don't drop
And we never gon stop

We don't give a damn about what you say

Jammin' in the club with my ravehead on
I'm alone with the music, I'm flowing
Lost in the lights, shadows darken my view
I don't mind, ohh

We gon keep it going til the beat don't drop
Til the beat don't drop
And we never gon stop

We gon keep it going til the beat don't drop
Til the beat don't drop
You don't know what we got

We don't give a damn about what you say

We gon keep it going...
