

MachoMan, Wookie Wookie

Wookie Wookie in the kitchen
Machoman is on a mission
Wookie Wookie in the kitchen
Mumsillybabba, mumsillybabba
I'm so hot I'm always steaming
Baby baby you're not dreaming
More and more baby give me more
I'm a living microwave oven
Turn me on for a meal of loving
More and more baby give me more
Bubbling bubbling super beans
Splashing on my shirt and jeans
More and more baby give me more
Mixing trixing super drinks
I've got all the vitamins
More and more baby give me more
Machoman's food is so fine
Any day and any time
Let's do some
Wookie Wookie in the kitchen
Machoman is on a mission
Wookie Wookie in the kitchen
Mumsillybabba, mumsillybabba
Wookie Wookie (Mumsillybabba, mumsillybabba)
Wookie Wookie yeah yeah yeah
I know my carrots and tomatoes
I live in my refrigerator
More and more baby give me more
You don't need no salt and pepper
What I've got is so much better
More and more baby give me more
Choppy choppy I'm the master
- No one else can do it faster
I won't leave your heart to hurt
- Baby, I'm your dessert
