

# MACKLEMORE, And We Danced

And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives  
Our lives (our lives)  
Our lives (our lives)  
Oh, oh, oh, oh (oh, oh, oh, oh, oh)  
Tonight (tonight!)  
Tonight (tonight!)  
Tonight!  
'Cause tonight's the night  
Am I right?  
Dance

Feels like the night for a party  
My nature's so naughty  
There's a knock on the door  
It's the neighbors, quit cock-blocking  
We're having a ho-down, are you hoes down?  
Don't make me pull my hose out  
'Cause it's big, long, pink, strong  
And been known to dance, like, all night long  
Grab my hand, play this song  
DJ, save my life, come on!  
Leave your fear, back off the wall  
Free of beat and pussy pop  
And if you don't have a pussy  
Pop a cock into a booty, into a booty  
Yeah, yeah

And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives

I am not, I am not going to stand on the wall  
I will dance, I will dance, I will break that ass off  
And I see you in the corner, corner looking so small  
Doing the robot like, "If I die tonight, at least I went hard"  
I will not, I will not give a damn who watches me  
I will live, I will live! Liberate the fox in me  
I will be the disco ball, freakin' give my all  
To whatever girl's booty I'm freaking on  
I'm not skeeting, nah it's just freaking hot  
Alright, I skeeted

I will not be a mannequin  
The ego banished  
The roof's on fire  
Let's burn down the Vatican  
I will moon walk to Pluto in honor of Michael Jackson  
In heaven he'll be saying that man is tight at dancing  
Rip to the king, Michael Jackson, we learned it all from you  
Dedicate this to the dance floor  
Party up the sorrow 'til tomorrow morning happens  
We pledge allegiance to the DJ  
Put your hands up

And we danced  
And we cried

And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives  
Our lives

You see me looking at you from that bar right over there  
But your friends are huddled up and they are hating on a player  
I just wanna dance with you, get on the back of you  
Tip tap the boots, extract the truth  
Da- Dance with you, get on the back of you  
Da- Dance, dance, dance  
Awesome

Oh-ee, oh-ee, oh  
(Oh-ee, oh-ee, oh)  
Hey-oh, hey-oh  
(Hey-oh, hey-oh)  
Uh-ah-ba-bo  
(Uh-ah-ba-bo)  
Zib-oh-da-we-bab-ba-dap-bop-bop  
(Zib-oh-da-we-bab-ba-dap-bop-bop)

Ladies, I just wanna dance with you  
I just wanna dance with you  
Come here  
Alright  
I see you girl  
I just wanna dance with you  
I just wanna dance with you

And we danced  
And we cried  
And we laughed  
And had a really, really, really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives
