MACKLEMORE, And We Danced

And we danced And we cried And we laughed And had a really, really, really good time Take my hand, let's have a blast And remember this moment for the rest of our lives Our lives (our lives) Our lives (our lives) Oh, oh, oh, oh (oh, oh, oh, oh, oh) Tonight (tonight!) Tonight (tonight!) Tonight (tonight!) Tonight! 'Cause tonight's the night Am I right? Dance

Feels like the night for a party My nature's so naughty There's a knock on the door It's the neighbors, quit cock-blocking We're having a ho-down, are you hoes down? Don't make me pull my hose out 'Cause it's big, long, pink, strong And been known to dance, like, all night long Grab my hand, play this song DJ, save my life, come on! Leave your fear, back off the wall Free of beat and pussy pop And if you don't have a pussy Pop a cock into a booty, into a booty Yeah, yeah

And we danced And we cried And we laughed And had a really, really, really good time Take my hand, let's have a blast And remember this moment for the rest of our lives

I am not, I am not going to stand on the wall I will dance, I will dance, I will break that ass off And I see you in the corner, corner looking so small Doing the robot like, "If I die tonight, at least I went hard" I will not, I will not give a damn who watches me I will live, I will live! Liberate the fox in me I will be the disco ball, freakin' give my all To whatever girl's booty I'm freaking on I'm not skeeting, nah it's just freaking hot Alright, I skeeted

I will not be a mannequin The ego banished The roof's on fire Let's burn down the Vatican I will moon walk to Pluto in honor of Michael Jackson In heaven he'll be saying that man is tight at dancing Rip to the king, Michael Jackson, we learned it all from you Dedicate this to the dance floor Party up the sorrow 'til tomorrow morning happens We pledge allegiance to the DJ Put your hands up

And we danced And we cried And we laughed And had a really, really, really good time Take my hand, let's have a blast And remember this moment for the rest of our lives Our lives

You see me looking at you from that bar right over there But your friends are huddled up and they are hating on a player I just wanna dance with you, get on the back of you Tip tap the boots, extract the truth Da- Dance with you, get on the back of you Da- Dance, dance, dance Awesome

Oh-ee, oh-ee, oh (Oh-ee, oh-ee, oh) Hey-oh, hey-oh (Hey-oh, hey-oh) Uh-ah-ba-bo (Uh-ah-ba-bo) Zib-oh-da-we-bab-ba-dap-bop-bop (Zib-oh-da-we-bab-ba-dap-bop-bop)

And we danced And we cried And we laughed And had a really, really, really good time Take my hand, let's have a blast And remember this moment for the rest of our lives
