MACKLEMORE & RYAN LEWIS, Jimmy Iovine (f

I put my life on the line I roll them dice and I'm fine 'Cause all I ever dreamt about was makin' it They ain't giving it, I'm taking it

I'm taking it, taking it, they ain't giving it I'm taking it, taking it, they ain't giving it I'm taking it, taking it, they ain't giving it I'm taking it, taking it, I need all that shit

Steal myself a record deal Steal myself a record deal Steal myself a record deal

If I just went in and stole it the police would've noticed Gotta be strategic, creep it, go in, leave without motive Hold up, my plan is forming, alright, casing this building Watch these rappers that rap and walk in and leave out with millions (millions) Headed in sweating, open that front door "Interscope" printed out right by the entrance door closes Not a metaphor, then I start towards That front desk right where you check in Dressed in a uniform, acting like a janitor All blue, jumpsuit, why shoot? Bloodthirsty for the money like a bull Looking in the eyes of the matador (fuck you!) Carrying 2 cans of paint Security looks at me awkward I say, "Third floor. I'm late" Paintin' Jimmy Iovine's office Holding my breath 'bout to faint I'm scared to death that he stops me Heart beating so loud that you can hear the echo in that lobby And see I'm breaking down if I don't make it out Then I'm leaving town with that contract And I'm spazzing out, grabbing an A and R out His chair and I'm taking him hostage I don't give a fuck, step into the elevator press three Now I'm headed up (heist!) What they don't know there's a gun in the paint can And I'm ready and willing to bust 'em, I'm fucking desperate Stuck in this recession now what you think If I could get signed my life is destined My future depends on ink And secretary at the front of the entrance staring right at me I walk up she whispers "Go ahead", and then gives me a wink

I put my life on the line I roll them dice and I'm fine 'Cause all I ever dreamt about was makin' it They ain't giving it, I'm taking it

I'm taking it, taking it, they ain't giving it I'm taking it, taking it, they ain't giving it I'm taking it, taking it, they ain't giving it I'm taking it, taking it, I need all that shit

Made it past security, the secretary, the cubicles But it's weird, it's like this room I've walked into is unusual Thought it'd be shiny and beautiful Thought it'd be alive and like musical But it feels like someone died, it's got the vibe of a funeral There's numbers on a chalkboard CDs boxed in cardboard Artists that flopped, that got dropped and never got to be sophomores

Graphic designers are sitting around Waiting for albums that never come out Complainin' that they have nobody in house Wonderin' what they make art for I start thinking, am I in the right place? Just walk forward, see plaques on the wall Oh, yeah, in a second those will be all yours

Finally see an office with a mounted sign, heaven-sent Big block silver letters, read it out loud, "President" (heist!) This was my chance to grab that contract and turn and jet Right then felt a cold hand grab on the back of my neck

He said, "We've been watching you. So glad you could make it Your music, it's so impressive, and this whole brand you created You're one hell of a band, we here think you're destined for greatness And with that right song we all know that you're next to be famous

Now I'm sorry. I've had a long day. Remind me now what your name is? That's right, Macklemore, of course, today has been crazy Anyway, you ready? We'll give you a hundred thousand dollars After your album comes out we'll need back that money that you borrowed" – Mm-hm. So it's really like a loan – A loan? Come on, no "We're a team, 360 degrees, we will reach your goals We'll get a third of the merch that you sell out on the road Along with a third of the money you make when you're out doing your shows Manager gets 20, booking agent gets 10 So shit, after taxes you and Ryan have 7% to split That's not bad, I've seen a lot worse No one will give you a better offer than us" "Mm-hm," I replied, "I appreciate the offer, thought that this is what I wanted Rather be a starving artist than succeed at getting fucked"
