

# Macy Gray, Love Is Gonna Get You

I want too much to be with you  
But I'm working night and day  
I came all this way to see you  
And you tell me you need space  
Everyone I know is compatible with somebody I know  
I can never get it right  
And I don't know where to go  
Stay away from me don't you ever leave me alone, no

Love is gonna get you baby  
Someday, one day, it will be  
A good love that gets me  
Love is gonna get ya baby  
Someday, one day, I will find  
Somebody for me

I have talked to all the experts  
all the psychics...I've loved  
I have prayed for all the answers  
To the game of love above  
They all say it's unanimous  
There's somebody for me  
But none of them will tell me  
When it is, where he might be  
I want to be with you, I just won't to be alone  
Oh, oh, oh, oh, yeah, yeah

Love is gonna get you baby  
Someday, one day, it will be  
A good love that gets me  
Love is gonna get ya baby  
Someday, one day, I will find  
Somebody for me

I believe in destiny  
I believe it sets me free  
Come and save me with your kiss  
Been on my best behavior  
Friends say I'm looking greater  
Won't you, won't you, just save me with your kiss  
Save me with your kiss  
Won't you just save me with your kiss

Love is gonna get you baby  
Someday, one day, it will be  
A good love that gets me  
Love is gonna get you baby  
Someday, one day, it will be  
A good love that gets me  
Love is gonna get ya baby  
Someday, one day, I will find  
Somebody for me
