

# Mad Dog Loose, Material Sunset

Open and close like a hole in your nose  
Got one in my shoe baby it's talking to you  
Can you ever size unbelievable lies  
Wasting your time in a line  
Wake up this lazy head  
And shake up in fuzz  
And hit this so bloody hard  
Like red in a rose  
Open and close like a hole in your nose  
Got one in my shoe and it's you
