

Mad Marge And The Stonecutters, Liberation

The series of the flame tonight
That is burning like hell in the deep twilight.
It will never fade but only build its power.
Liberation comes in the midnight hour.

Do you know? Do you know
Where you come from and where you go?
Never heard a sound that sounds so simple
But it sounds so sweet to me.

I said hey hey tell me
And come along with me
And ride across the sea.
I said hey hey tell me.
Tell me what you want.

Can't you see it's malignancy?
A vile trap that placed in you and me.
Lets get lost before it turns sour.
Liberation baby in the midnight hour.

Do you know? Do you know
How much love of the feeling you show?
Never heard a sound that sound so simple
But will still bring the world to its knees.

I said hey hey tell me
And come along with me
And ride across the sea.
I said hey hey tell me.
Tell me what you want.

You see them march in the dark from afar.
They come from ?
But baby, it's alright.
'Cause I've been set free
Yeah I've been set free.
And I've been liberated.
And I've been liberated.
And I've been liberated.
And I've been liberated.

I said hey hey tell me
And come along with me
And ride across the sea.
I said hey hey tell me.
Tell me what you want.
