

# Mad Season, Long Gone Day

So much blood I'm starting to drown  
Runs from cold to colder  
Time to time the sky's come down  
To help me lose my way  
Tears and lies for answers  
You and open veins, God knows I'm gone  
Girl I just want you to  
Come on down  
Lord it's a storm and I'm heading to fall  
These sins are mine and I've done wrong, oh babe  
Come on down

Long Gone Day  
Mmmm, who ever said  
We wash away with the rain

See you all from time to time  
Isn't it so strange  
How far away we all are now  
Am I the only one who remembers that summer  
Oh, I remember  
Everyday each time the place was saved  
The music that we made  
The wind has carried all of that away

Long gone day  
Mmmm, who ever said  
We wash away with the rain

So many tears I'm starting to drown  
The rain in heaven's all come down  
Silver spoons affix the crown  
The luckless ones are broken  
Fears and lies for answers  
You and open flames  
God knows I'm gone  
And I just want you to  
Come on down, hmmm

Lord it's a storm and I'm heading to fall  
These sins are mine and I've done wrong  
I want you to, oh, I just want you to  
Come on down

I fear again, like then, I've lost my way  
And shout to God to bring my sunny day
