

Madball, D.I.F.F.M. (Fuck You)

(spoken)

this next song goes out to all the kids for keeping it real by turning their backs on hardcore bands w
fuck that man.

hardcore isn't about money,
its a way of life.

sure i live with my mom right now,
but i'd live on the streets if i had to.

and i know in my heart,
that one day, i'm gonna graduate from college,
get a real job,
and forget all about hardcore.

but until then i'm gonna talk as much shit as i can.
diy!

(sung)

D.I.F.F.M.M. fuck you!

D.I.F.F.M.M. fuck you!

D.I.F.F.M.M. fuck you!

D.I.F.F.M.M.
fuck you!
