

Madeleine Peyroux, Changing All Those Changes

I should have reconsidered all those things I said I'd do
so now I'm changing all those changes
that I made when I left you

Sweetheart I'm changing all those changes
that I made when I left you
because I made those changes when I thought you were untrue

But now you're gone - I've found I'm wrong
there's nothing I can do
except to change up all those changes
that I made when I left you

I didn't stop to think - I just left without a care
and now I know you're gone and I can't find you anywhere

I should have reconsidered all those things I said I'd do
so now I'm changing all those changes
that I made when I left you
