

Madeleine Peyroux, Dreamland

Dreamin'
Makin' my way
Dreamin'
Won't let me stay in your arms
In your warm
In your love

Sleepin'
Away the day
Hopin'
That we two could stay
All alone
On our own revelries

Let's make a pact for our lives
And our homelands
Built on the bricks that we bathed

In my dreamland
Home sweet dreamland
Always a dreamland
For the two of us,
Together,
We'll stay

Let's build a homeland together in the sand
We have forever right here at hand
In dreamland
Home sweet dreamland
Always a dreamland
For the two of us,
Together,
We'll stay
