

# Madeleine Peyroux, (Getting Some) Fun Out Of Life

When we want to love, we love  
When we want to kiss, we kiss  
With a little petting, we're getting  
Some fun out of life

When we want to work, we work  
When we wanna play, we play  
In a happy setting, we're getting  
Some fun out of life

Maybe we do the right things  
Maybe we do the wrong  
Spending each day  
Wending our way along

But when we want to sing, we sing  
When we want to dance, we dance  
You can do your betting, we're getting  
Some fun out of life

Maybe we do the right things  
Maybe we do the wrong  
Spending each day  
Wending our way along

But when we want to sing, we sing  
When we wanna dance, we dance  
You can do your betting, we're getting  
Some fun out of life
