

Madeleine Peyroux, This Is Heaven To Me

When I hear them say
There's better living
Let them go their way
To that new living
I won't ever stray
'Cause this is heaven to me

Long as freedom grows
I want to seek it
If it's yes or no
It's me who'll speak it
'Cause the lord, He knows
That this is heaven to me

If you've got your hands
And got your feet
To sing your song
All through the street
You raise your head
When night is done
Shout your thanks up to the sun

So when I hear them say
There's better living
Let them go their way
To that new living
I won't ever stray
'Cause this is heaven to me
'Cause this is heaven to me
